

# INFORMATIVE WRITING

Please help your child think of an informative topic that he or she is interested in.

Your student will then need to brainstorm and record 3 facts about the topic they selected. Please return the attached sheet **NO LATER than MONDAY, SEPTEMBER 30th**. Your child will use the notes for a district writing assessment that will be given that day. You may send it back any time before Monday.

Topic examples: plants, apples, horses, Abraham Lincoln, the desert, or the solar system. They can select anything that interests them!
